Wilson Lau heads the leading Chinese lab tested, organic herb ingredient supplier, Nuherbs, founded in 1979. He is the third generation of his family in the business. Nuherbs offers a comprehensive array of practitioner supplies includes Herbal Times® Tea Pills, Jade Dragon® Classical Formulas, Patent Formulas, and teas & infusions. Herbal identity of every ingredient is confirmed macroscopically and chemically, when there is a method provided in the Chinese Pharmacopeia. Each lot of every herb is tested for pesticide residues, heavy metals, micro bacteria, and other quality indices. Nuherbs emphasis on quality begins at the farms from which they source, and extends to comprehensive testing and proper processing of each herb, and careful storage of the botanicals in Nuherbs' California warehouse.

In addition to being president of Nuherbs, Wilson is also the founder and CEO of NuTraditions, which combines his grandmother's Traditional Chinese Medicine practices with high-tech formulations and modern convenience.
